

 autosplice.com	<p>AUTOSPlice INC.</p> <p>End to end pins, Compliant, Custom connectors, Direct insertion of discrete components, Insertion/Press equipment, Integrated housing & full turnkey assemblies.</p>
 clickele.com	<p>CLICK TECHNOLOGY</p> <p>Power supply transformers, New Energy Transformers, AC Adaptors, Chargers, LED Power, Industrial Power.</p>
 diodes.com	<p>DIODES INC.</p> <p>Leading global provider of Discrete, Analog and Logic semiconductors serving the consumer electronics, computing, and communications, industrial and automotive markets. Products include MOSFETs, Diodes, Rectifiers, Transistors, Protection Devices, Gate drivers, AC/DC and DC/DC Convertors and Switching Regulators, LED Drivers, Hall Sensors, LDOs, Logic Devices, Motor Controllers, USB Power Switches, Audio Solutions.</p>
 gradconn.com	<p>GRADCONN</p> <p>Board to board connectors, SIM card connectors, Micro-USB connectors, RF coaxial cable assemblies.</p>
 inpaq.com.tw	<p>INPAQ TECHNOLOGY CO., LTD</p> <p>Patch antennas, Single/Dual band chip antennas, Active antennas (External GPS, GPS/WLAN combo, SDARS, Digital TV), NFC, Wireless charging, Customized antenna modules.</p>
 ist4u.com	<p>IST – INTEGRATED SOLUTIONS TECHNOLOGY, INC.</p> <p>STN Single Chip & SEG/COM Driver IC's, STN/TN In-Cell Touch IC's, Ultra-Low power versions & Custom development opportunities available.</p>
 maglayersusa.com	<p>MAG LAYERS USA INC.</p> <p>Power inductors, Ferrite SMD shielded/unshielded type, EMI filters, Power chokes, RF passives, Antennas, Antenna modules, Magnetic transformers, Ceramic circuit substrate.</p>
 pericom.com	<p>PERICOM</p> <p>Pericom Semiconductor (now part of Diodes Incorporated, NASDAQ: DIOD), a leading supplier of serial high-speed switching, signal integrity, connectivity and timing solutions for the embedded, computing, communications and consumer market segments. Company is based in Milpitas, California, with design centers and technical sales and support offices around the world. Pericom was acquired by Diodes Incorporated in November 2015.</p>
 ssi-ic.com	<p>SEIKO INSTRUMENTS INC.</p> <p>RTC's, LDO's, DC-DC converters, Voltage detectors, Op amp & Comparators, Temp sensors, Hall sensors, Lithium-Ion protection IC's, Charge pumps, Serial EEPROM, 32.768kHz crystals.</p>
 songchuan.com	<p>SONG CHUAN</p> <p>Plug-in & PCB type, Single/Dual with IR reflow compatible.</p>
 www.urt.com.tw	<p>UNITED RADIANT TECHNOLOGY CORPORATION</p> <p>TFT (IPS, Sunlight readable), Character (mono & color), Graphic, Touch panels (capacitive & resistive), Etag, LED lighting, Automotive.</p>
